Dr. Joseph D. Coker
Chief, National Resource Evaluation Center
Office of Emergency Planning
Washington, D. C.

Dear Joe:

In response to your request for location and configuration information re CIA's computers, I suggest that you advise IBM of my willingness to have such information prepared. Because of security, however, I prefer that such a document come to me first for review before transmittal to you. Accordingly, by copy of this letter I am advising [redacted] IBM's marketing representative to CIA, of the understanding.

25X1

Sincerely,
